

U.S. DEPARTMENT OF COMMERCE  
AND THE  
OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

AMENDED CHARTER OF THE  
INDUSTRY TRADE ADVISORY COMMITTEE ON  
CHEMICALS, PHARMACEUTICALS, HEALTH/SCIENCE PRODUCTS AND SERVICES

1. ESTABLISHMENT

The Industry Trade Advisory Committee on Chemicals, Pharmaceuticals, Health/Science Products and Services (the Committee) is established by the Secretary of Commerce (the Secretary) and the United States Trade Representative (the USTR) pursuant to the authority of section 135(c)(2) of the 1974 Trade Act (Public Law 93-618), as delegated by Executive Order 11846 of March 27, 1975. In establishing the Committee, the Secretary and the USTR consulted with interested private organizations and took into account the factors set forth in section 135(c)(2)(B) of the Act.

2. MEMBERS AND COMMITTEE OFFICERS

The Committee consists of not more than 50 members from the chemicals, pharmaceuticals, health/science products and services industry sectors and related environmental and public health or health care community sectors. Members shall be appointed by the Secretary and the USTR and shall be selected on a clear, standardized basis, in accordance with applicable Department of Commerce guidance, the principal criterion for membership being ability to carry out the objectives of the Committee as set forth in Section 3. Secondary selection criteria are ensuring that the Committee is balanced in terms of points of view, demographics, geography, and company size. Members serve at the discretion of the Secretary and the USTR. The Secretary and the USTR may, at their discretion, reappoint an individual member upon renewing this charter provided that the member proves to work effectively in the Committee and his/her expertise is still needed.

The Committee chair and vice chair or vice chairs, as appropriate, are elected from the membership by the members for a period not to exceed the duration of this charter and may be reelected for one or more additional periods should the charter of the Committee be renewed.

The members, all of whom come from the private sector, will serve in a representative capacity presenting the views and interests of a U.S. business in the chemicals, pharmaceuticals, health/science products and services industry sectors, a U.S. entity involved in the formulation of environmental policy in the chemicals, pharmaceutical, health/science products and services industry sectors, or a U.S. entity in the public health or health care community with a demonstrated interest in health issues relevant to the chemicals, pharmaceutical, health/science products and services industry sectors; they are, therefore, not Special Government Employees.

The Chair of the Committee may select one member (in exceptional instances, not more than two members) to serve as a non-voting representative, representing the views and interests of the Committee, to each of the following ITACs: Customs Matters and Trade Facilitation, Intellectual Property Rights, and Standards and Technical Trade Barriers. The selected member(s) will serve for a period not to exceed the duration of the ITAC charter and may be re-selected for one or more additional periods should the charter be renewed.

### 3. OBJECTIVES AND DUTIES

The Committee shall perform such functions and duties and prepare such reports, as may be required by Section 135 of the Act, with respect to the industry trade advisory committees. The Committee advises the Secretary and the USTR concerning the trade matters referred to in section 135(a)(1) of the Act, and is consulted regarding the matters referred to in section 135(a)(2) of the Act.

In particular, the Committee provides detailed policy and technical advice, information, and recommendations to the Secretary and the USTR regarding trade barriers, negotiation of trade agreements under section 2103 of the Bipartisan Trade Promotion Authority Act of 2002, and implementation of existing trade agreements affecting its sector; and performs such other advisory functions relevant to U.S. trade policy as may be requested by the Secretary and the USTR or their designees.
